Ashley & Co Wash Up, \$28

Auckland company Ashley & Co's gorgeous, modern-looking handwash comes in three fragrances: a baby-out-of-the-bath rose/musk called Bubbles & Polkadots, a tuberose and wild jasmine mix called Blossom & Gilt and the earthy, amber/vanilla Vine & Paisley, which smells almost good enough to eat. Each contains natural antiseptic extracts like grapefruit seed and aloe to keep hands clean and healthy.
